

Recommitment: Today I begin a new life

Please honor this prayer in the name of YOUR son, Jesus:

I pray for a new beginning. Please help me to become more like Jesus today.

I haven't been seeking the lost as he did, & I want to repent.

Please forgive me for those missed opportunities, & don't let me miss any today.

I want to learn to focus on others more than myself.

Help me to see the lost as YOU do & feel sad that they are living without YOU.

Help me to trust YOU more and more, starting today. I know YOU promised to care for me if I put my trust in YOU and obey YOU completely, but I confess it's hard not to worry about my own problems. Sometimes I see that this causes me to neglect the lost. I want to put that in YOUR hands from now on, and I want to become a fisher of men.

Help me to find contentment in YOUR service.

Help me, beginning today, to find great joy from sowing the seed of YOUR Kingdom.

Today I especially pray on behalf of [[insert your names here](#)].

Thank YOU for bringing them into my life.

Help me to love them enough to care that they don't have YOU.

OH LORD, help me to see even more opportunities.

Make my list grow longer and my friendships to grow deeper.

Make me bold in just the right ways and at just the right times. I want YOUR SPIRIT to guide my steps and lead me. Help me listen more closely and to trust HIM more.

More than anything, I want to be exactly like your son - to speak as he would, to love as he would, and to care as he would.

Finally, I ask that you help my brothers & sisters, too.

They want to be more like Jesus, but they're also tempted & distracted.

Bless them with courage and love today, and help us all to keep our eyes fixed on Jesus.

"Lord of harvest, send forth reapers"
